Chain saw file

Description

Round files for manual sharpening of chainsaws with precise spiral head for extreme sharpness and particularly long service life. Sharpens teeth quickly and without scratches. Enables economical sharpening without thermal stress caused by friction, compared to mechanical sharpening.

Extra information

Item number	PF11018203	
Model	412 200 x 4,8 Classic	
EAN	4007220005231	
CBS Statistics number	82031000	
Article group	PFERD	
Brand	PFERD	
Features	Shape	Round
	Diameter	4.8 mm
	Diameter [inch]	3/16
	Chain mark [inch]	.325
	Hood	Classic Line
Article group code	1309740
