Description

These Huvema tool trolleys are widely used in garages and workshops for storing and stowing away tools and equipment. These European tool trolleys have a welded steel construction and are powder coated, in addition they have a central locking system with 2 keys. Tilting is prevented by the fact that only one drawer at a time can be opened. The drawers can be pulled out up to 98%, allowing various products to be easily picked up and stored at the back.

Features:
7 drawers (3x 75 mm, 4x 100 mm)
2 fixed wheels
1 swivel wheel
1 swivel wheel with brake
colour RAL 5015
Powder coated
European manufacturing
Sturdy, welded steel construction
Central locking system
