# Mobile work table with 3 shelves and 1 drawer

## Description

---

This mobile tool trolley is often used in garages and workshops to easily store and move tools, spare parts equipment, etc. The universal tool trolley consists of 3 shelves. In addition, the work table has a fully extendable drawer for storing smaller equipment. The work table is made of DKP sheet material and has an impact- and scratch-resistant powder coating. The robust tray trolley is also equipped with 4 high-quality rubber wheels. Thanks to the raised edges, materials are prevented from falling or rolling off the trolley. To protect your materials, all shelves of the trolley are fitted with a non-slip rubber mat. The multifunctional platform trolley is equipped with a push handle, so you can easily move it around your garage, workshop, warehouse etc.
