

Galvanized shelf cabinets

Description

Shelf system with 9 shelves. Ideal for use in workshops, schools, garage and private. Robust system due to 1.20 mm galvanized steel. Shelves can be moved in height, separate shelves can be added. Plastic feet underneath the shelf to prevent slipping and damage to the surface. Ideal for quick storage or looking at products on the shelves. On each shelf there are 5x plastic material containers of 172x305x130mm.

Features

- 45 material bins including
- Scratch resistant
- Rustproof
