

Bin rack

Description

Double-sided movable rack with 78 storage bins of various sizes, made from high quality polypropylene (PP). Ideal for the storage of tools, nails, bolts, screws and other materials used in the workplace. Due to the various sizes various materials can be stored easily. No matter the weight, the rack is always easy to move thanks to four wheels and ergonomic handles.

The solid frame is made of galvanized steel and covered with an anti-static powder coating. The plates are click-fit, which allows the space between the shelves to be easily adjusted.

Properties:

color RAL 5015

powder coated

ergonomic handles

stable construction

supplied with bins

Extra information

Item number	K4082	
Model	BL 600x1000x1160 TR
