

Mobile workbench with 1 drawer and tool wall

Description

This mobile tool trolley is ideal for use in your garage or workshop. Handy for easy storage and movement of tools, spare parts equipment, etc. The universal tool trolley consists of 3 shelves. In addition, the work table has a fully extendable drawer for storing smaller equipment. Moreover, the work table also features a perforated tool wall, from which you can hang your hand tools in plain sight. The work table is made of DKP sheet material and has an impact- and scratch-resistant powder coating. The robust platform trolley is also equipped with 4 high-quality rubber wheels. Thanks to the raised edges, materials are prevented from falling or rolling off the trolley. To protect your materials, all shelves of the trolley are fitted with a non-slip rubber mat. The multifunctional platform trolley is equipped with a push handle, so you can easily move it around your garage and workshop
