

Column drill Promo package

Description

HU 30 NC promo package : get started right away with one purchase
Save € 400,- on this carefully put together set!

Complete "ready-to-go" combi package , perfect for basic workshop use. This set consists of a HU 30 NC v-belt driven column drill. It is supplied as standard with a quick-release drill head and drill chuck. In this promo package, the drill is combined with a smart selection of accessories.

Tool cabinet with 7 drawers
Drill clamp with prism jaws
Set of spiral drills 1-13 mm
Whole organic cutting oil (450 ml.)
Safety glasses

The HU 30 NC is a stable and robust column drill with an excellent price/quality ratio. With a drilling capacity of 30 mm, this v-belt driven drill has an ample capacity. Equipped with protective cover with spindle break switch. The V-belt cover is fitted with a safety switch so that the machine cannot come into operation when changing the V-belts. The HU 30 NC is equipped with a spacious drilling table with coolant device, adjustable depth stop and left-right running so that tapping is possible. The table and machine base are equipped with T-slots.

Features

Including drill chuck and quick-release chuck 16 mm
Extra large cooling table
Table swivelling and tilting
Emergency stop at the front
With left-right turnclockwise and counter clockwise rotation
