

Anti fatigue mat

Description

This Complete Comfort II Rubber Anti-Fatigue Mat is constructed of 100% Nitrile rubber for superior comfort, unmatched durability and the ability to be used in both wet and dry environments. The antistatic Nitrile rubber mat won't absorb liquids including oils and greases and it is welding resistant. The mat can be used in workshops, garages, production lines, commercial kitchens and other heavy-use locations.

Produced in a comfortable 16 mm. thickness.

Beveled edges prevent trip-and-fall accidents and add to the mat being ADA-Compliant.

This Complete Comfort Mats can be hosed down, it can be laundered in a commercial washer and dryer or even in a commercial restaurant dishwasher.
