

Deburring blade

Description

Hand scrapers for economical deburring, chamfering and finishing of a wide variety of materials and contours. Easily accessible areas, bores, internal and external cross-sections, threads and grooves can be machined by hand. PFERD offers: Three scraping knives for processing steel, aluminium, non-ferrous metals and cast iron, plastics and other soft materials. A mini-scrapers blade for universal machining of the smallest geometries from different materials. Two rotary countersinks for the universal machining of bores in different materials.

Extra information

Item number	PF14300020
Model	BS 1018
EAN	4007220807910
CBS Statistics number	82079091
Article group	PFERD
Brand	PFERD
Features	Diameter 3 mm
Article group code	1310642
