

Bench grinding wheel for hard materials e.g. tungsten carbide

Description

CARBIDE type bench grinding wheels are used on hard materials, such as for sharpening tungsten carbide tools.

Extra information

Item number	PF39009724	
Model	BW 15020-32 CN 80 CARBIDE	
EAN	4007220038086	
CBS Statistics number	68042230	
Article group	PFERD Bench grinding wheel	
Brand	PFERD	
Features	Diameter	150 mm
	Width	20 mm
	Arbor hole diameter (mm)	32 mm
	Shape	Disk
	Grit size	80
	Max. RPM	4500 rpm
	Reduction rings	25;20;16
Article group code	1313731
