

Polishing paste bar for steel + INOX (green)

Description

This green polishing paste PP in STEELOX version is used for pre-polishing steel and stainless steel bars.

Suitable for:

- coarse pre-polishing with a sisal cloth (ST)
- pre-polishing with a hard cloth (TH).

Polishing pastes are used alongside felt tools with cloth discs for pre-polishing and high-gloss polishing. If you want to achieve a very smooth surface, use several or even all versions in succession.

Bars of polishing paste are available as **large- and small-volume** packs.

K-PP = small format

G-PP = large format

Machinable materials:

stainless steel (INOX) < br>Steel, cast steel

hardened, tempered steels above 1,200 N/mm² (above 38 HRC)

steel

Machining tasks:

Polishing

Extra information

Item number	PF44250006	
Model	K-PP 1 VP STEELOX	
EAN	4007220955666	
CBS Statistics number	34059010	
Article group	PFERD	
Brand	PFERD	
Features	To be used for	steel + INOX
	Implementation	Pre-polishing
	Width	25 mm
	Height	30 mm
	Length	90 mm
	Color	green
	Content	108 g
Article group code	1904443
