

Mobile workbench

Description

These mobile workbenches from Huvema are ideal for both protection and storage of various materials as well as for carrying out work, both in a fixed location and mobile. The drawers open silently and easily thanks to ball bearings. Tilting is prevented as only one drawer can be opened at a time. The drawers can be pulled out up to 98%, allowing various products to be easily picked up and stored at the back of the cabinet. With different slots on the sides of the drawers, you can arrange the inlays as you wish. Each drawer has a maximum load capacity of 80 kg, with central locking. These european manufactured workbenches are very robust due to its 1.2 mm welded steelwork with reinforcements on all 4 corners, also the powder coat finish for optimum strength.

Features:

- 10 drawers, 4x75, 2x100, 2x125, 2x200mm
- 2 fixed castors
- 1 swivel castor with brake
- Color RAL 5015
- Powder coated
- European manufacturing
- Sturdy, welded steel construction
- Central locking system
- Ball bearing guide drawers

Extra information

Item number	K8230	
Model	BL 10D 1120x570x920 MWB	
EAN	8718242140997	
CBS Statistics number	94032080	
Article group	HUVEMA Workshop Equipment	
Brand	Huvema	
Features	Depth	57 cm
