

Gear oil - 1L

Description

HU 320 ISO is a high performance industrial lubricant known for its innovation and high performance. This product has been developed to deliver high quality, meeting the latest industry standards and with a wide application range to lubricate a wide range of industrial and marine equipment.

Properties:

- Improved gear wear protection against micropitting
- Reduced indentation due to wear
- Improved bearing wear protection
- Excellent compatibility with a range of sealing materials
- Excellent resistance to oxidation and thermal degradation
- High resistance to the formation of sludge and deposits
- Broadly applicable
- Optimised resistance to rust and corrosion of steel copper and soft metal alloys
- Resistance to foaming and emulsion formation

Extra information

Item number	21121001	
Model	HU 320 ISO (1L)	
EAN	8718242154062	
CBS Statistics number	84669370	
Article group	TCE Machines, Lubricants & Accessories	
Brand	Huvema	
Features	Content	1 liter
	ISO	ISO L-CKC (ISO 12925-1:1996) & ISO L-CKD (ISO 12925-1:1996)
	DIN	DIN 51517-3:2009-06
Article group code	1081392
