# Bench grinding wheel for sharpening HSS pilot drills

## Description

---

HSS type bench grinding wheels are particularly useful for sharpening HSS pilot drills or machining other high-alloy steels.

## Features

---

- high tool life
- high shape stability
- high abrasive performance
- integrated reducing sleeves for mounting on almost any grinding cup spindle

## Extra information

---

Item number	PF39008420-grp
Model	BW 15016-32 AW 60 HSS
EAN	4007220610152
Article group	PFERD Bench grinding wheel
Brand	PFERD
Article group code	1313730
