# Industrial vacuum cleaner 1150W

## Description

---

The Huver VC-100 is our basic hoover. This compact dry vacuum is small, light and powerful, in short it is ideal for cleaning "standard waste". Because of its size, this hoover is easy to store and handy to carry.

The Huver VC-100 is a cleaning machine with 1150 W motor, strong but also energy efficient. The polypropylene tank has a capacity of 20 litres, so you don't need to empty and/or change the 20L dust bags very often. The Huver VC-100 is supplied complete with accessories and, with its European quality, is ideal for cleaning business premises, homes, classrooms, public areas, etc.

This complete dry vacuum is supplied with a standard package of accessories, and the machine can also be expanded with other accessories.

The Huver VC-100 is delivered including:

- HUVER VC-100 flexible hose 2M with mouth 36Ø
- HUVER VC-100 suction nozzle universal 36Ø
- VC-100 suction nozzle slit 36Ø
- VC-100 suction tube 36Ø
- VC-100 combi squeegee universal 36Ø
- HUVER VC-100 polyester filter with ring 34Ø
- Hoover bag VC-100 paper 20L

## Extra information
