# Galvanized shelf cabinets

## Description

---

Industrial shelving unit with 6 shelves. Solid and strong system thanks to 1.20 mm galvanised steel. The shelves are adjustable in height. Additional shelves are available separately. Plastic feet under the cabinet to prevent slipping and damage to the surface.

This shelf system is one of the most common storage systems in the warehouse, workshop, garage, shop and for home use. Ideal for storing piece goods, such as boxes, bins or loose items and materials in a neat and tidy and quick way.

Features:

Scratch-resistant

Rustproof

## Extra information

Item number	K25943
