

Set of 2 axle stands

Description

Foldable axle stands adjustable in height in 4 positions from 24 to 37 cm.

These foldable axle stands are designed to support the car and are stable and firm. The axle stands are adjustable to 4 different heights and can be locked with the locking pin.

Suitable for use on a flat surface, for your own safety always use 2 axle stands. The supports are foldable and can be stored compactly.

NOTE: The axle stands are not for lifting the vehicle, this is done with the garage jack.
