

Crosscut saw metal

Description

Multi-purpose metal cut-off saw for powerful and fast cutting of profiles, pipes and bars made of steel, cast iron, aluminium and other non-ferrous metals. Thanks to the clamping device, you can cut the object safely. The machine features an ergonomically shaped handle for increased comfort and grip. Thanks to the spindle lock, the saw blade can be changed quickly and easily. The machine has a powerful motor for a long service life and is therefore suitable for large, long-term jobs that require continuous and reliable cutting power.

NOTE: saw blade not included.

Extra information

Item number	VI390202	
Model	1390202	
EAN	8004878701405	
Article group	HUVEMA Webshop Machines & Equipment	
Brand	Valex	
Features	Speed	3800 rpm
	Sawing capacity 45° rectangular	90 mm
	Clamp fastening	45° (L/R)
	Soft grip	yes
	Carrying handle	Integrated
	Dimensions	530 x 300 x 430 mm
	Weight	14,4 kg
	Engine power	2,2 kW
	Voltage	230 V
Sawing capacity 90° rectangular	110 mm	
Article group code	1907079
