

Cast iron vice with suction base

Description

Rotatable cast iron vice with suction base, jaw width 65 mm.

This rotating vice is great for securing (small) parts in hobby, model making, electronics, at home and on the workbench. The vise is durable, lightweight and portable. The swivel clamp allows you to swivel the workpiece 360 degrees. The strong suction base allows you to mount the vise to a smooth surface without screws. The jaws have a non-slip texture for proper clamping.

- cast iron version
- grey color
- with suction base for mounting on a smooth surface
- ideal for crafts, hobby and electronics.

Extra information

Item number	21131068
