

Table Drill 13 mm

Description

The BL 13B-2 is an excellent bench drill for the hobbyist or DIY user. This belt-driven drill can drill up to 13 mm into steel, making it ideal for basic work.

This table drill is compact and easy to move around the workplace, the 230V connection is certainly convenient. Thanks to the V-belts, the BL 13B-2 can be easily adjusted in speed, allowing you to drill into various materials in the required diameter up to 13 mm. In addition, the table drill has an easily accessible emergency stop on the front and a 3-lever handle with a comfortable grip for the drill spindle. The work table can be easily swivelled away when, for example, you need more height. Finally, this table drilling machine has an adjustable drilling depth so that you can set a maximum drilling depth. It is equipped with a variable speed system and 5 speeds.

This 13 mm bench drill comes complete with protective cover and drill head, making it a plug & play machine.

Huvema will be pleased to advise you on any associated clamps, drills and coolant.

Features:

- Including protection cap
- Including emergency stop
- Including drill head
- With adjustable drilling depth

Extra information

Item number	11180
Model	BL 13B-2
EAN	8718242559423
CBS Statistics number	84592900
Article group	HUVEMA Webshop Machines & Equipment
Brand	Huvema

Features

Drilling capacity	13 mm
Distance spindle - column	100 mm
Spindle taper	B16
Engine power	0,3 kW
Voltage	230 V
Drilling depth	50 mm
Maximum distance spindle - table	165 mm
Maximum distance spindle - foot	245 mm
Table dimensions	165 x 165 mm
T slots	2x M14
Column diameter	48 mm
Speed range	500-2500 rpm
Number of revs	5
Variable speed	No
Drive	V-belt
Weight	15 kg
Machine dimensions	420 x 230 x 630 mm
Packaging dimensions	450 x 240 x 340 mm
