# 200L Emulsifiable saw and cutting oil

## Description

---

Biostabilized watersoluble cutting oil. Forms a micro-emulsion in water. Suitable as coolant and lubricant for cutting ferrous and non-ferrous metals.

Properties:

Environmentally friendly and no health hazard

Applicable for all machining operations

Strong anti-foam properties

High-pressure machining (> 40 bar)

## Extra information

---

Item number	21121026
Model	JT-14 (200L)
EAN	8718242138949
CBS Statistics number	84671110
Article group	TCE Machines, Lubricants & Accessories
Brand	Huvema
Features	Content 200 liter
Article group code	1990625
