## Description

---

These Huvema tool trolleys are often used in garages and workshops for storing and putting away tools and equipment. These European tool trolleys have a welded construction of steel and are powder coated, in addition, it has a central locking system with 2 keys. Tipping is prevented because only one drawer can be opened at a time. The drawers can be pulled out up to 98%, making it easy to grab and store various products in the back of the cabinet.

**Features:**

5 drawers (1x 75mm, 1x 100mm, 2x 125mm, 1x 200mm)

2 fixed castors

1 swivel castor

1 swivel castor with brake

color RAL 7016

Powder coated

European manufacture

Strong, welded steel construction

Central locking system
