

Portable floodlight 30W

Description

This 30-watt LED worklight has a large light output of 4000 lumens and consumes very little energy. The aluminium casing provides an IP65 rating, making the floodlight suitable for both indoor and outdoor use. The portable lamp emits a functional, bright white light of 6500 K, equivalent to natural daylight, accentuating black/white contrasts. This broad-beam lamp has a very long lifespan of 25,000 burning hours. The lamp is widely used both for business and private purposes to illuminate sheds, garages, warehouses, workshops etc. The functional work lamp is also ideal for use in handyman and renovation work.

Features:

- Light intensity 4000 lumens
- Waterproof, with protection class IP65
- Power cable 350 mm
- Swivel mounting
- Easily foldable
- Rubberised handle
- Beam angle °120
- 25,000 burning hours
