

Black cable ties / Tie wraps 2,5x200mm 100 pcs

Description

Set of 100 polyamide 6.6 cable ties in the colour black. These easy-to-use strong and durable cable ties have rounded edges and sturdy locking edges with high tensile strength. The ties are ideal for bundling cables at home, in the office, in the garden, in the workshop or on the building site. These black tie wraps are especially widely used in electrical engineering, agricultural and horticultural engineering, automotive and stand construction, among others. The cable ties are resistant to external influences and UV exposure.

Features:

- Dimensions cable tie 200x2.5 mm.
- For single use
- Maximum clamp diameter 52,5 mm.
- Maximum tensile strength 8 kg.
- Strong and durable Polyamide 6.6 (PA 66)
- High temperature resistance of as much as -40°C to +85°C.
- Fire resistant

Extra information

Item number	V1201036	
Model	1201036	
EAN	8004878685989	
Article group	HUVEMA Webshop Machines & Apparatuur	
Brand	Valex	
Features	Size	2,5 x 200 mm
	Number	100 pcs
	Diameter maximum clamping	52 mm
	carrying capacity	8 kg
Article group code	2163407
