# Black cable ties / Tie wraps 3,6x250mm 100 pcs

## Description

---

Set of 100 polyamide 6.6 cable ties in the colour black. These easy-to-use strong and durable cable ties have rounded edges and sturdy locking edges with high tensile strength. The ties are ideal for bundling cables at home, in the office, in the garden, in the workshop or on the building site. These black tie wraps are especially widely used in electrical engineering, agricultural and horticultural engineering, automotive and stand construction, among others. The cable ties are resistant to external influences and UV exposure.

### Features:

- Dimensions cable tie 250x3.6 mm.
- For single use
- Maximum clamp diameter 68 mm.
- Maximum tensile strength 18 kg.
- Strong and durable Polyamide 6.6 (PA 66).
- High temperature resistance of as much as -40°C to +85°C.
- Fire resistant

## Extra information

---

Item number	V1201048	
Model	1201048	
EAN	8004878686368	
Article group	HUVEMA Webshop Machines & Apparatuur	
Brand	Valex	
Features	Size	3,6 x 250 mm
	Number	100 pcs
	Diameter maximum clamping	68 mm
	carrying capacity	18 kg
Article group code	2163413
