

Safety guard

Description

Strong safety guard for drills, radial drills, column drills, tabletop drills and the like. This safety cap protects the user from chips, cooling oil and shields rotating parts so that the user cannot hold the drill and then start the machine. The protective cover is transparent, practically unbreakable and made of polycarbonate/lexane with 4 corners. The protective cap can be mounted on almost every drill.

Properties:

safety switch
including mounting unit
height adjustable
CE
health and safety approved

Extra information

Item number	40420
Model	HBSK 180 Set
EAN	8718242061452
CBS Statistics number	84669300
Article group	K29 - Safety, PPE
Brand	Huvema
Features	Length 110 mm
	Width 180 mm
	Height 110 mm
Article group code	1373149
