# Material cabinets

## Description

---

Multifunctional equipment cabinet for storing and storing spare parts in workshops and factories. This industrial cabinet features 3 drawers, shelves, suspension panels, plastic bins and steel doors. The cabinet is designed to store machine parts, measuring tools and tools in production lines. You can hang your special hand tools and measuring tools on the hanging panels in the cabinet doors. In addition, you can store small materials by sorting them into the 38 plastic tool bins in this cabinet. Thanks to the espagnolette locking system on the doors, the cabinet is lockable from 2 points.

### Features:

- Colour : Ral 5015 electrostatic powder coated.
- 3 drawers, shelves, suspension panels, 38 plastic bins
- Spagnolette locking system with locking from 2 points

## Extra information
