# Aluminium saw

## Description

---

Manually controlled industrial aluminium saw with manual sawing and clamping of the work piece. The sawing machine has an oil nebuliser which improves cutting performance..

### Properties:

- saw blade movement from below
- saw blade with corbide teeth
- material length stop
- included saw blade 13.15.1015

## Extra information

Item number	16872	
Model	TLG 352 M	
EAN	8718242078115	
CBS Statistics number	84615011	
Article group	Aluminium saw	
Brand	Huvema	
Features	Saw blade dimensions	350 x 32 mm
	Sawing capacity 45° rectangular	100 x 80 mm
	Sawing capacity 45° round	105, mass. 90 mm
	Sawing capacity 45° square	85, mass. 80 mm
	Sawing capacity 90° rectangular	175 x 75 mm
	Sawing capacity 90° round	125, mass, 100 mm
	Sawing capacity 90° square	110, mass. 95 mm
	Speed	3000 rpm
	Engine power	1,5 kW
	Voltage	400 V
Weight	180 kg	
	Packaging dimensions	800 x 200 x 1225 mm
Article group code	347223
