

Protective cover milling machine

Description

This protection consists of two opposing elements, mounted on both sides of the horizontal slide. Equipped with a simple adjustment for regularly changing tasks, this model protects the operator against direct contact with the horizontal spindle and also against flying chips and coolant. Horizontal mounting on both sides of the slide and equipped with axial or radially adjustable safety goggles.

- 1 Adjustable angle bracket for mounting the microswitch housing and the horizontal arm
- 2 housings for the safety microswitches, rotatable by 180°, 2 opening contacts
- 3 Horizontal protective screen holder made of stainless steel tube
- 4 aluminium fixing clamps for axial and radial adjustment of the protective screen
- 5 Protective screen made of shock-resistant and oil-resistant plastic material

Extra information

Item number	40263	
Model	BVPFR 10/420	
EAN	8718242062749	
CBS Statistics number	84669300	
Article group	K29 - Safety, PPE	
Brand	TECNOPIU	
Features	Code	PFR 10/420
	Dimension A	400 mm
	Dimension B	200 mm
	Dimension C	830 mm
	Weight	8.5 kg
Article group code	1387698
